

Your Coffee Training Partner for Hospitality Agencies

Who We Are

BaristaSource is a national leader in specialty coffee education. We exist to make high-quality coffee training accessible for hospitality agencies, hotels, and food & beverage organizations that need skilled baristas and coffee service staff. Our focus is on delivering hands-on, practical training that improves guest experience, reduces turnover, and saves your team valuable time.

Licensee Training Support

Many hospitality agencies manage staffing for brands with licensee agreements, such as hotels, universities, and corporate cafés. BaristaSource specializes in adapting our curriculum to align with brand requirements. Whether your client operates a Starbucks licensee, a hotel café program, or another branded concept, we ensure staff are trained to meet brand standards while maintaining operational excellence.

Our Services for Hospitality Agencies

Group Training for New Hires (3-4 days)
